POST CARD

Dear Penny,

I am writing to you from the Canary Islands and it is lovely here in Spring. Did the shipment of Olive trees I sent earlier arrive safely?

I managed to buy many different types of palms for our Mediterranean Garden, such as the Date Palm, and the Canary Island Date Palm. I can't wait for you to see them!

Perhaps we can go on a "date" when I'm back and I'll tell you more!

With Love,
David
